COME JOIN OUR TEAM

Thank you for considering the public safety field as a possible career. The Battle Creek Fire Department is working diligently to become the employer of choice within the Calhoun County fire/EMS emergency services. Our members are very proud of the work they do and we seek the best of the best with potential candidates.

Our organization will continue to focus on reflecting the community that we serve. Feel free to stop by any City firehouse to ask questions, look around, and gain a feel for life within a working fire station.

Your Battle Creek Fire Department provides efficient, community-focused, results-driven service.

Service Area

The Battle Creek Fire Department serves the 3rd largest incorporated land area in the State of Michigan; covering 44 square miles. Service is provided to an inner-city urban area, a large industrial park, agricultural areas and shopping center development on the south side of the city. Opportunities exist for involvement in all facets of fire safety.

Staff

The Fire Department is professionally staffed by 77 members. Staff includes the Fire Marshal, a Fire Inspector, a Training Officer, three Battalion Chiefs, an Executive Administrative Assistant, and the Fire Chief. The department staffs six stations strategically located throughout the city. Administrative offices are located in Station 1 at 195 E. Michigan Ave.

Equipment

The Department operates Engines, Rescues, Squads, and Truck companies. There are also staff and support vehicles, rescue boats, haz-mat team and tech rescue team trailers.

There's a job for everyone

This team responds to over 8,500 calls annually and provides a variety of services including:

- Confined Space emergencies
- Fire Prevention and Public Education
- Fire Suppression
- Hazardous Materials (haz-mat) response
- Emergency Medical response
- Pre-fire Inspections
- Vehicle Rescue

Regional Response Team

The Battle Creek Fire Department has been designated by the State of Michigan as one of 16 Regional Response Teams and, as such, receives additional equipment and training needed to respond to Weapons of Mass Destruction (WMD) and technical rescue events in the state. This designation allows the department to provide an improved level of haz-mat response to City and area residents as well.
